Fisher 37 (2007)

Property: 44.208.1354

EYN Price: **€ 239.000**

Length: 12,82 m; Width: 3,65 m; Draft: 1,62 m; Headroom: 2,00 m; Engine brand: Yanmar 4JH3-HTE; Total engine power: 100 hp; Engine hours: 305 hour; Number of engines: 1 ; -: Shipyard ; Trade: Negotiable ;

* Modern yacht with a classic look. * This yacht is particularly suitable for long stay on board. * By the presence of a bow thruster, role/reef sails and comprehensive navigation equipment is this yacht easy to sail. * The presence of airconditioning, spacious wet cell, luxury trim, much storage space and brilliant cabinetwork makes it stay aboard very pleasant. * This Fisher 37 is in exceptionally good state of maintenance. * By the powerful engine it is possible to sail safely on big water. The 37 is the epitome of the large, powerful motor sailer. Over one hundred and forty have been built since her introduction in 1973. Over this period the interior layout and rig have evolved into what many owners today would say is the best motor sailer of its type. Under sail, or powered by her massive 100 h.p. engine, this boat will take you safely and in comfort to any destination around the world. Fisher 37's have sailed more miles then any other in the range and her distinctive profile will be found in any of the oceans around the world, from the Arctic to the Antarctic. The sail plan has been well refined over the years and today the cutter ketch rig is standard with bowsprit, giving powerful performance yet still being easy to manage. Below deck, the saloon and cabin areas are extensive. The 37 can sleep up to six with two full length single berths in the forecabin and a large double berth in the aft quarter. In the saloon the settee converts easily to a double berth when extra sleeping

area is required. The wheelhouse provides much more than extra working space with a settee to port with a chart working space forward and another full length settee to starboard with deep storage under the whole wheelhouse area creates a second saloon on deck with excellent all round visibility. With the Fisher 37 you can be confident that every design detail has been thought through carefully to create a yacht that can virtually be all things to all people – a pleasure to sail, powerful under motor, a long distance cruiser, or a comfortable live aboard 'permanent' home.

* POSSIBILITIES

Status	Great Opportunity
Berth	In consultation
Trade	Negotiable

DECK EQUIPMENT

Material deck	antislip coating
Options present	Swimming ladder
	Rail
	Deck washing system
	Anchor winch Electrisch
	Sailing lights

ELECTRONICS

Voltage circuit	12V + 220V
Heating	Eberspächer Airtronc D5
Options present	Shore power

ENGINE ROOM

Starting batteries	2 80AH
Exhaust	Water Cooled
Number of engines	1
Fuel	Diesel
Generator	Fisher Panda PMS4200
Light batteries	3 185AH
Options present	Washbasin
	220V socket
	Bilge-pump
	Automatisch/handmatig/alarm/alarm,autostart
	Converter Victron
	Water pressure system
	Boiler

ENTERTAINMENT

Options present	Sound system

GALLEY

Cooking ring	2 Burners
Options present	Oven
	Sink
	Fridge

INTERIOR LAYOUT

Berths	5
Bedrooms	2
Bathroom	1
Options present	Front cabin
	Dinette In de salon en in de stuurhut
	Navigating table
