ULTIMATE EYE-CATCHER This Antaris Kottter MK825 is a nice cruising boat with a 80 Hp diesel engine. The boat is designed by Antaris and equipped with a strong 60kgf bow thruster. The multifunctional detachable side panels of the cockpit tent makes the cockpit a valuable room in all weathers. Whether you are a sailing for a day or a weekend break. Your stay on the water has never been as comfortable. On this characterful cutter you will enjoy all the comfort. The Antaris MK825 has a long keel which provide her excellent boating qualities and stability. You cruise with stability and on course, regardless of your speed. This means that she is perfect for long distance cruising. A masterpiece in every detail. Robust and irresistible. For you and your passengers. The Antaris MK825 offers enough space to stand up in the cabin, while the clearance of 1.65 meters remains minimal. Inside is a spacious galley and a toilet compartement. This cutter offers accomodation for 4 people. This all makes it definitely worth a visit. She is your absolute dream when it comes to functional space and stunning design on the water. This all makes it definitely worth a visit.
