Condition needs work. The Ia Ora Na is a great American classic. The yacht was built in 1966 at the Roamer Yachts Division, of Chris Craft. Here she got the serialnumber RMB 57. The combination of a steel hull with a wooden (teak) superstructure gives her a chic look. New Teakdeck. With her length and width, she is very suitable for habitation. And because of her powerful engines she will be borrowed for offshore sailing but also the inland waters are perfect as sailing areas. There are 10 berths on board (2x owner's cabin, crew cabin 4x, 2x and 2x guest cabin dinette), so she can be enjoyed by a large group.
