This well-kept Dehler 41 CR is from the first owner, always private used and never chartered. By the excellent sailing characteristics and high level of seaworthiness is this yacht ideal for long-distance travel. Because of the unique format, there are 10 sleeping places (8 permanent beds and 2 in the salon) and there is sufficient storage space. The control of all lines are from the cockpit. In addition, two electric winches makes the control a lot easier.
