The Jeanneau Sun 2000 is a very fine all-round boat with enough residence space below deck and lots of space on deck and in the cockpit. In addition, a very happy sailor who regard sailing qualities you can compare with an open boat better than with a keel yacht. Smooth, lively and fast but relaxed enough so you don't constantly have to be concentrated. A nice boat for the club contest, but well the holiday. Beautiful and for an interesting price.
