Stunning and perfectly kept Pacific Allure 155, built in 2002 by Pacific Shipyards, Waspik (NL). The innovative design makes every Pacific motoryacht very popular. She is equipped with a neatly integrated swimming platform, with 2 upward going round stair cases towards the enormous hind deck in which you can comfortably stay with multiple people. Sidedecks are wide and easy to access and this all well executed in luxury teak, ofcourse. She has two powerful DAF engines type 620 with only 435 spinning hours. The floorplan is well thought of, spacious and perfectly carried out, must certainly be seen. She has got everything you could wish for when it comes down to comfort & equipment, such as: kabola 14Kw Hr heating system, spacious galley with all desired facilities, washing machine, Paguro 6000 generator as well as an inverter of 3000 watts, etc. This Pacific Allure 155 is without a doubt the ideal ship for permanent residence and also off season stay.
